Parish Announcements

Food Bank Sunday is **today** (the second Sunday of each month) and we will try to fill the cart in the Narthex. The cart will be presented at the Altar along with the offerings that day as a symbol of our gift in reaching out to the hungry in our community. Donations will be appropriately distributed by the Outreach Committee.

Thank You: We have received a thank you card from the members of the community who attended the community lunch on May 6. We have posted the card on the bulletin board in the Narthex.

The Leader Family would like to express its appreciation for your prayers and support over the last few months. Thanks for your calls, cards, emails, and words of comfort. It was encouraging to see so many parishioners at the worship and fellowship last Saturday, and we value all the help we received in celebrating Michael's life, faith, and witness.

Spring has come with all its colour. The children's gardens on the south side of the church are in full colour from the children's fall plantings. The red cross of tulips is in full bloom as well. Please have a look at what a little work from the youngest of the church has done to brighten up this season.

Get Creative for SickKids: As her charity this year, Tattianna Pompey-Happi is collecting homemade "You are Special," "Hello," and "Words of inspiration" cards. The cards can be made by you and your children. Tattianna's goal is to collect over 1,000 homemade cards by May 28. You can give your cards to Tattianna or Collene.

Coffee Hour: Everyone is invited to share in some refreshments in the Parish Hall after the service. Come and meet someone new, catch up with your friends, and have some tasty treats.

When you finish, please follow this guide for disposing of waste.

Organics bin (green): napkin, paper plate, food scraps, plants, paper towel, tissues

Recycle bin (blue): plastic cutlery (rinsed), Styrofoam cups, pop cans, foil, milk cartons, juice boxes

Garbage (black): stir sticks, straws, toothpicks, plastic candy wrappers

Let's all work together to reduce our footprint on the earth.
