Parish Announcements

Celebrating Christian Milestones: Along our Christian journey, we often encounter milestones, times when our faith grows and our commitment deepens. These milestones are often marked by a public ceremony within the church community, such as baptism and confirmation. We are planning to have a celebration of ***Baptism on Sunday, August 5***. If you would like to make a commitment to the Christian life for yourself or for your children, please speak to Leonard by ***Saturday, June 30***. Please keep the candidates in your prayers.

Children's Sunday Programme: Our children's Sunday programme will be finishing up today (June 17) and will be resuming September 9. I would like to take this opportunity to thank the parents but especially the kids for making this a great year. We may be small in numbers but it's all about quality. I would also like to thank Debbie for ongoing help. We will be having a children's bulletin available each week throughout the summer with various activities (word searches, crossword puzzles, colouring page, etc.) that relate to the theme of the day.

We are looking for more teachers in order to be able to split up the age groups. We need someone to take on the ministry of our smallest people from babies up to 3 years of age, as well as the older kids 6-8 and 9-11. Anyone interested in joining our Children's Ministry, please speak to Kathy or Leonard. Teachers must go through the screening process for vulnerable people including a police record check and an Ethics and Boundaries Workshop. If you are not able to commit on a weekly basis, we also need people who are able to step in when I am not able to be there. I am already going to be missing September 30 and October 7 & 21, with other commitments; we will need those dates to be covered.

I am also looking for volunteers to help take care of the garden on the north side of the building. I'm sorry I haven't been able to take care of it as the Church school has in the past. Weeding, planting, watering, and ongoing upkeep is needed. We do have some funds available to purchase any plants needed.

I hope everyone has a wonderful summer, and I look forward to meeting back up in the fall.
– Kathy Baillie
