

St. George on Yonge Anglican Church: 5350 Yonge Street, Toronto, Ontario

## “Hope, Peace, Joy and Love.”

### Greetings:

Advent is the beginning of the Church year when Christians observe a time of preparation for Christmas.

Here at St. George on Yonge, we are encouraged to consider this time of year as a “fresh start” for the parish and for each of us. What would spiritual renewal look like for our worshipping community?

On the first Sunday of Advent, we have the opportunity to renew our baptismal vows, and I am suggesting that this could be a meaningful start on our journey through Advent.

I am looking forward to some of the old favourite hymns like:

*“Hark the glad sound! The Savior comes,  
The Savior promised long;  
Let every heart prepare a throne  
And every voice a song.”*

This hymn, by Philip Doddridge, (1702–51) tells of the coming of Christ, and points to the season of anticipation and hope. It announces that Advent is here and gives us renewed energy to continue our spiritual journey, as we invite others to join us.

So may we have a new song in our heart, as we live in hope and experience peace, joy and love this Advent.

Leonard

## Community Connection

Our Neighbourhood Ministry, now renamed Community Connection, activities continue to take shape here at St. George on Yonge and I would like to take this opportunity to pass on my thanks and appreciation for all those people who have had a role in the various activities that take place. No one can do it alone and it takes a team working together to make any event or activity a success. To that end we are always willing to accept help and support from new people.

You may ask "What is it that this group does?" or "Why do we do this?". The simple answer is that as Christians we are called, not to sit in a pew or on a chair watching, and listening, to a service, but to actively be a means by which God's love and compassion is spread throughout the community. We actually publicly state that fact each week when we read the Creed, stating that **"We believe in one holy catholic and apostolic Church"**.

As followers of Christ we are called to an active ministry in his name, not a passive one. Some of the examples which have occurred as a result of the efforts of this group, working along with Outreach and Parish Life, are the Poetry Café evenings, the Pancake Supper with invitations to non-members, the Parish Barbeque, the monthly Pub Knights, the Community Lunch which on our last event was attended by approx. 70 guests from the congregation, the community at large, the Mandarin Fellowship community, and the individuals who come to the church every month to obtain gift cards. Yes, each of these events contain food of some sort but they also all have conversation, compassion, entertainment and support to all those attending. They also, each of them, allow us to open our doors and invite those people in the community around us into our building, or in the case of the Pub Knights take us out into the community itself, to meet and get to know us and our beliefs.

This connection to our neighbours is important as shown by a poll done on people's spiritual basis overall in Canada, which found the following breakdown of groups and numbers as relates to Willowdale.

- 9 % - 14,000 - are regular (1/month) attendance at religious service
- 30 % - 39,000 - are privately spiritual (believe in God) but do not attend
- 30 % - 39,000 - are not spiritual or believer, but still pray for support
- 21 % - 27,000 - do not believe and would not attend
- 

This survey shows that there is over 60 % of the people who are members or are on the fence ready to come in if asked or if they find the door open when they come looking for support. Imagine for a moment if you can, if only a small percentage of the 78,000 people who already know God or seek his support when in need joined us here each week. What would our church look like then, and what would we be able to do?

Some of the things that have been suggested for the rest of the year, and for which we ask for your help or suggestion, are a planned lunch for the recipients of our gift cards on December 4<sup>th</sup> when they normally come along with a repeat of the gift giving from earlier of warm gloves, scarves, hats and socks. I also would like to see us hold a "movie" afternoon for the community, with either popcorn or simple 'warm soup cups' and refreshments. If you have any suggestions, or are able to lend a hand, please let myself or Leonard know. With more support and volunteers there are many more things that we could get involved with or put together. Remember that God's power, working through us, can accomplish much more than we could ever ask or imagine.

Respectfully submitted  
Doug Heyes

## Children's Ministry

### St. George Sunday Children's Program – by Kathy Baillie

This year we are using the Sermons 4 Kids program. Each week we start in Church until the Children's talk, sing in the chapel, and then hear a story and do activities related to the story.

Unfortunately, since I am the only teacher, there have been weeks that the program has had to be cancelled. When there isn't a program, there are activity bulletins for the children to do during the service. There will be no children's program on December 30<sup>th</sup>, February 17<sup>th</sup> and February 24<sup>th</sup>. Also, I had spoken with Rev. Leonard and informed him that I would only commit to continuing until Christmas but with the uncertainty of the leadership at the Church after Christmas I will commit up to Easter. Thanks to Debbie for all her help.

## Are you on PAR? Why not?

It is so easy! No worry about remembering to bring your offering Sunday mornings. It is painless. On the 20<sup>th</sup> of each month the amount you choose to contribute to the church is withdrawn from your bank account. In this way you are supporting your church even if you are not there. The church's expenses continue and your support is needed.

You can change your amount or cancel if your situation changes. Changes are made at the beginning of each month. There are forms in the office which must be filled in, in order to make the change.

There are PAR cards for you to put in the collection plate to show that you are a PAR contributor. They are located on the table in the Narthex or ask the ushers.

You can make additional donations for special occasions such as Christmas, Easter, etc. There are special envelopes available. Make sure to put your name on it so you will be credited for it. You can also use generic envelopes for any additional donations you wish to make.

Information brochures with an application form are available at the welcome desk. If you would like further information, please speak to me or give me a call at 416-225-2570.

Once on PAR you will wonder why you didn't do it sooner!

## Next Ministry

### A new ministry for Young Adults aged 18 to 35

St. George on Yonge is ready for growth and is ready to continue the mission of the church within the community of Willowdale. We are experiencing limited growth due to society becoming less religious due in part to young adults - 18 to 35 years old, distancing themselves from organized religion. We recognize that the church needs to reflect on and plan to respond appropriately to young adults and their need to have a stable faith community in their own backyard. We believe that spiritual transformation takes place best in the context of an authentic, caring community and that we need to make our church more valuable to more people. According to our estimates, starting a new Sunday evening service catering to young adults, will increase our growth by as much as 25%.

To address the above problem, we have formed a committee and over the last several months we have been tasked with the following:

1. Developing a new young adults' ministry, identifying concise short, mid and long term goals.
2. Adding to our working committee with key "youth centric" personnel from the Diocese and from the parish.
3. Identifying and recruiting a theology student who has the passion to lead.
4. Implementing new technology which young adults will use and which is relatable to their needs.

Risks: Increased cash outlay will be required for marketing, new technology and ongoing ministry. Based on our experience in new ministry work, having successfully supported the Mandarin Ministry, which is now thriving in our church, we recognize that it may take several months or even years, before we see any significant increase in our attendance levels. However, we plan to reduce that time by working with the Diocese and using its experience and guidance.

Recommendation: To start this new ministry, we will need the Diocese's support both financially and with human resources. We have studied the ward profile for Willowdale and know that the church is surrounded by a young, racially diverse community. We are passionate about being an intergenerational church and we seek to be a community where young adults not only feel that they belong, but can also participate. We feel that our experience in supporting the formation of the Mandarin Ministry in our parish will serve us well as we embark on another pioneering mission in our community.

Progress made: The working committee has consulted with Bishop Patrick Yu, Bishop Kevin Robertson, Sister Connie, Annette Brownlee – Chaplain - Pastoral Theology Professor at Wycliffe College, Cormac Culkeen – Director of Youth Ministry at St. John's West Toronto, Mary Conliffe – Diocese of Toronto, and we are working with Ian Physick – Area Youth Ministry Coordinator York-Scarborough. We are actively looking to recruit a suitable leader who can lead a Sunday evening service and an Alpha Film series, for this age group.

Members of our congregation who are interested in participating in the development of this ministry may contact Anne Wynter or Kwan Luk for more information.

## Diocesan Synod November 9<sup>th</sup> - 10<sup>th</sup>, 2018

From Laura Pummell

Geraldine Sperling, Izunna Umezinne and myself were the lay delegates for St. George on Yonge at Synod this year. The theme of the Synod, "Growing in Christ", was a continuation of the Diocese's Strategic plan that was introduced in 2016. The strategic plan is a five year vision for the Diocese. The goal of the strategic plan is to establish foundations/programs for how all the parishes will work together to build healthy, missional Anglican communities that engage faithfully with the world and share the gospel of Jesus Christ.

Included on the Synod agenda for the two days were presentations from parishes and diocesan leaders describing missional and outreach moments, some business matters pertaining to the operation of The Diocese of Toronto and several smaller group sessions to further the discussions, reflections and considerations about the proposed changes to the Marriage Canon to allow for same-sex marriage in our Church.

Here are a few of the highlights of this year's Synod.

1. The Synod begun with a Eucharist Service being shared with approximately 400 people. Imagine the warmth and the wonderful sounds of all those Anglicans singing the hymns.
2. The inspiring missional presentations were about parishes trying new approaches to programs and projects to meet people within their own communities. The projects included operating summer sports program, organizing a 850 km canoe pilgrimage from Midland to Montreal over 2 weeks, opening a food bank, and operating a youth drop-in centre one day a week.
3. The outreach presentations were given by PWRDF and the Archbishop's Working Group on Intercultural Ministry.
4. The opportunity to engage in small group sessions of listening and contributing to discussions about the proposed changes to the Marriage Canon to permit same-sex marriages. The results of these sessions will be presented to the General Synod in July 2019 where a vote on the motion will occur. The acknowledgement that this subject has been on many agendas for a long period of time and perhaps there was a feeling of weariness and fear. Regardless of the decision at General Synod, there will be a mixture of reactions to the result of the vote. Nevertheless it was stressed that the overall need was for us to move forward in faith with compassion and empathy in boldness representing the diversity of all of us-the people of God.
5. Near the end of the Synod, the Archbishop Colin Johnson addressed the assembled audience to report that this Diocesan Synod would be his last as a Diocesan Bishop since he is retiring as of the end of December 2018. Bishop Johnson offered the assembly a recap of his time serving in the Diocese Office as well as being The Bishop of Toronto, highlighting some of the changes he has witnessed in the Diocese and the missional work within the Diocese and the effects on our lives. Then the Coadjutor Bishop, Bishop Andrew Asbil, offered his comments about the how grateful he was to have been elected in the June Synod to replace Bishop Johnson in January 2019. He acknowledged that currently he is "in-training" but he definitely is very energized and inspired to proceed with the work of the Diocese of Toronto.

In summation the two days offered a brief glimpse into the workings of the Diocese of Toronto and allowed me to reconnect with a few of my Anglican friends that have moved to other parishes.
