

Ready for Pentecost Sunday

To our St. George on Yonge Parish Family and Friends,

Please join us for worship this Pentecost Sunday – Wear red!

*We will commemorate the coming of the Holy Spirit to Jesus' disciples. We will celebrate this important Christian feast with a multilingual service. As is tradition, please wear red when watching the service and taking part in coffee hour.

Go to <https://stgeorgeonyonge.ca/sermons> Share this link with family, friends and neighbours who might be interested. The bulletin is attached. Past services continue to be available.

- * Our spring **Bible Study** on Zoom focused on Psalm 150 last night. This was the last session for this series. Please speak to Rev. Leonard if you would like to be part of future programs.
- * Please see the attached contact list to get in touch with the office, clergy or members of the COVID-19 response team.
- * If you have a song, a reading, or something to share at coffee hour, please let Lorraine know ahead of time.

From last Sunday's Coffee Hour – We were very pleased to have Bishop Kevin join us. He spoke of the support being provided by the Diocese, especially the extension of the Jubilee for June, for which we are very thankful. There was talk of how small group ministry is flourishing in our new normal. And how things might look in our "next normal". We encourage everyone to extend an invitation to our services, or perhaps a "taste of church" to others near and far.

OUR GARDENS

Hostas and day lilies looking good in the north garden.

South garden needs some work!

We have had a donation towards plants for the garden. Now we're looking for people to plant, weed, and otherwise improve our gardens and grounds. Please let us know if you can help. Thanks to the one person who has already volunteered.

Reminders

- * Please remember to maintain your offering, and consider using PAR if you have not already signed up; the Envelope Secretary can help with this. St. George continues to offer virtual worship services, pastoral care, referrals to the community services that people need, ESL classes on line, face-to-face Bible classes online, virtual Sunday coffee hours, and so on. The costs of maintaining the building and paying staff continue, even though rental money from our licences is greatly reduced.
- * Please share stories, photos that have warmed your heart or ideas you have found helpful in this challenging time.
- * Parents, would you like access to all the Sermon 4 Kids materials? Please email Kathy at fambail@hotmail.com and she will send you an email to set up your access. We pay for a subscription that includes more material such as videos and other activities than you get with the free access.
