

## Parish Update - St. George on Yonge – April 23, 2021

*Resurrection has three basic meanings. The first is to 'stand up for', giving meaning and credibility to another's words or person. The second is to 'stand behind', a power and presence that supports, protects, backs up and gives strength. The third is to 'stand with', as though in solidarity or communion with others. What God did for Jesus, the Father also now does for us, here and now. Our Father, with Jesus in the Spirit, stands up for us, stands behind us in life and death, and stands in communion and solidarity with us who believe and are baptized into Christ's body, the church, who are to stand in communion with the poor and those of the earth in need of justice and the judgement of God, declared by our presence with them.*

Excerpt from Megan McKenna: ***And Morning Came, Scriptures of the Resurrection***

### WE LOVE WILLOWDALE COMMEMORATIVE VIRTUAL COMMUNITY DINNER - TONIGHT

#### Message from the Willowdale Church Coalition

This long season of isolation and lockdown has been hard. Even the simple act of smiling at neighbours is challenged by the masks we must wear.

Please consider joining us tonight at 6:30pm for the **We Love Willowdale Virtual Commemorative Community Dinner**. We will share a heart-warming gathering with live music and poetry along with opportunities to connect with our neighbours - without wearing our masks.

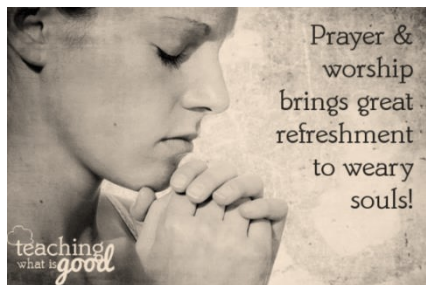

We are pleased to announce that **Mayor John Tory** will be joining us along with **TSO Violinist James Wallenberg** who will be playing *Somewhere Over The Rainbow*. This is in addition to our amazing roster which includes **Singer/Songwriter Matt Gerber** (back by popular request) and **Willowdale School of Music Founder Sarah Murley-Hauser**. The evening will be capped off with a lively concert by Marcus Schwan sponsored by Canterbury Place Retirement Home.

During a time of lockdown and isolation, we all need some more connection and hope.

The dinner will be virtual, but the connections with neighbours will be real.

If you have not done so already, please RSVP: <https://lovewillowdale.eventbrite.ca/>. Please also share with your friends who may need some connection and encouragement.

## APRIL 23<sup>rd</sup> IS ST. GEORGE'S DAY

Who was St George?

Very little is actually known about the life of St George.

However, we do know that he wasn't English - he was born in what is now Turkey, in approximately AD 280.

He was raised as a Christian and joined the Roman Army as a young man.

St George was tortured and killed by Emperor Diocletian for refusing to renounce his Christian faith.

### NEWS IN THE COMMUNITY (FROM THE CITY OF TORONTO WEBSITE)

#### Modular Housing Proposal for 175 Cummer Avenue

The City of Toronto is moving forward on its plan to increase the supply of affordable housing across the city. As part of the [HousingTO 2020-2030 Action Plan](#), the City committed to create 1,000 new modular homes in Toronto. The Modular Housing Initiative is an innovative and cost-effective way to build small-scale infill housing while providing a rapid, dignified response to connect people experiencing homelessness with homes and appropriate supports to help them achieve housing stability.

[Modular housing](#), which is essentially prefabricated housing, is built off-site in a factory and transported to the site for assembly. City Council has approved the first two phases of the project that will create 100 modular homes on City-owned sites in 2020 and an additional 150 in 2021.

A three-storey modular housing building is planned for 175 Cummer Avenue to be located next to Willowdale Manor. Each of the approximately 60 studio apartments would be self-contained with a twin bed, a private eat-in kitchen and bathroom. The building would also include a laundry facility, a kitchen and dining room, program space and administrative offices. The building is designed to support individuals who are exiting homelessness. A local non-profit housing provider will manage the building and provide support services to the tenants under an agreement with the City.

Two town hall meetings have been held for community input. If you have questions and feedback you can contact the Community Liaison Office or the Councillor's Office using the contact information provided below:

## **PWRDF ACCEPTING DONATIONS FOR PEOPLE DISPLACED BY ST. VINCENT VOLCANO ERUPTION**

Volcanic activity that began April 2 at La Soufriere volcano in St. Vincent and the Grenadines continues.

According to the Caribbean Disaster Emergency Management Agency (CDEMA), an estimated 20,000 people are displaced, including many women and children. The National Emergency Operations Center (NEOC) is now active, operating 85 shelters and housing 3,586 people. Many evacuees are sheltering with friends and relatives. The National Emergency Management Organization (NEMO) has identified urgent need for water, buckets, folding cots, toiletries, blankets, field tents, kitchen utensils and sleeping mats.

Naba Gurung, PWRDF's Humanitarian Response Coordinator, has been in regular contact with the Anglican Alliance facilitator and Anglican church representatives in the region. Parishes in the neighbouring islands of Grenada and St. Lucia, as well as the seven other dioceses in the Church in the Province of the West Indies, are actively collecting donations and coordinating with their government disaster response mechanisms. PWRDF will issue a \$5,000 solidarity grant to support these Anglican initiatives on the ground.

"This is surely a trying time for us all in St. Vincent and the Grenadines, because at the same time we continue to respond to the COVID-19 pandemic and the realities related to both, along with all the other challenges of our lives," write the Rt. Rev'd C. Leopold Friday, Bishop of the Windward Islands, in a pastoral letter.

"The present experience may cause us to wrestle with our faith, but it does not define who we are, our moments of wrestling must be seen as stepping stones to deeper faith, growth and maturity. They enable us to be more aware and sensitive to that which brings us all to life; that which is essential to our human existence. They provide opportunities for us to turn away from that which deadens our hearts and minds, so that we may be messengers of hope."

How can you help?

If you are able to support the needs of the people coping with displacement due to the volcanic eruption, please go to [pwrdf.org/give-today](http://pwrdf.org/give-today) and click on Emergency Response, or [click here](#), then add "Volcano relief in St. Vincent" to the notes section. You may also call Donor Relations Officer Mike Ziemerink at 416-822-9083, leave a voicemail toll free at 1-866-308-7973 or send a cheque with a memo "Volcano relief in St. Vincent" to 80 Hayden St. Toronto, Ontario, M4Y 3G2.

## PHOTO GALLERY

The Basilica de la Familia Sagrada ('of the Holy Family') in Barcelona, Spain, was designed by Spanish architect Antoni Gaudi. Construction began in 1882, the Basilica opened to the public in 2010, and work is still going on! The building is an amazing combination of Gothic and modern.

Do you have any pictures of interest that we could share? Please submit them to the office for consideration.

## LOOK AT WHAT'S BEEN HAPPENING NEXT DOOR

A very large crane is being used to take down the original crane from the top of the building. Construction has been proceeding well with the condo next to the church.

## GARDENING HELP NEEDED!

No experience needed. Some energy and stamina required. (Knowing the difference between a plant and a weed or willingness to learn is an asset). For the next couple of weeks we will be weeding, adding soil/mulch and splitting some of the plants that have grown very large. And all through the spring, summer and fall... much work to be done too. The weeds never take a vacation!

Please reply to this email or contact the Office Administrator if you are able to help.

## THANK YOU FOR HELPING TO SAVE GOD’S CREATURES GREAT AND SMALL

With the necessity of wearing masks, if you are wearing disposable ones, please cut the elastic/ribbons before properly throwing them away. Animals, birds, fish, etc. can get caught up in the elastic. Don’t forget to cut the plastic rings of can holders too. Please say no to plastic straws... there are many alternatives out there now. And please use reusable bags when possible.

All of God’s underwater creatures thank you (especially the 4<sup>th</sup> one)! (Photo credit: Kathy Baillie)

FYI – the dolphin shown is named Jojo and he has been a resident in the waters of Turks and Caicos for over 30 years. If you have the opportunity to share this message, please do so. One parishioner shared this with her Condo and they put it in their newsletters. The more people we make aware of this, the better off God’s creatures may be. Thank you.
