## BLACK HISTORY MONTH

As it is Black History Month, it is time to learn about some of the Black people who have been a part of building our country. Here is an article submitted by Doug Heyes.

### Georges Anglade

Born on July 18, 1944, in Port-au-Prince, Georges Anglade was a Haitian-born geographer, politician and writer from Montreal.

In 1965, Anglade obtained a law degree and a diploma in Social Sciences from the Faculty of Law in Port-au-Prince. His opposition to the Duvalier dictatorship led him to leave Haiti for France. Between 1965 and 1969, he studied at the Center of Applied Geography in Strasbourg, where he obtained his doctorate. He also obtained a degree in literature at the University of Strasbourg in 1967. Between 1968 and 1969, he was a professor at the Institute of Demography in Strasbourg. His move to Canada, to Montreal, in September 1969, led him to be one of the co-founders of the University of Quebec in Montreal (UQAM), which contributed to the creation of a network of universities across the province where he taught social geography until 2002.

Anglade was a staunch anti-Duvalierist, twice exiled in 1974 and 1991, and repeatedly threatened with death for opposing the Haitian authorities. He spent much of his adult life in exile in Quebec, where he founded the Haitian Solidarity Movement (MAS) in Montreal in the 1980s, and in 1990 published *La Chance qui passe*, a manifesto calling for democracy in Haiti. In the 1990s, he served as advisor and Minister of Public Works under the governments of Jean Bertrand Aristide and René Prével. In 1994, he chaired the Miami International Political Conference, which initiated the return to democracy in Haiti.

After his government career, he intensified his literary activity, focusing on lodyans, which he theorized by writing stories of this genre.

Georges Anglade and his wife Mireille died suddenly, along with other family members, in the earthquake that devastated Port-au-Prince on January 12, 2010.

## OUR FIRST 100<sup>TH</sup> ANNIVERSARY EVENT - "WHO WALKED IN WILLOWDALE?" FRIDAY, FEBRUARY 11<sup>TH</sup> AT 7:00 P.M.

This presentation by local Toronto historian Richard Fiennes-Clinton will cover the history of the Willowdale neighbourhood. We'll meet some of the early inhabitants of the area, but also draw on stories and illustrations that show how much Willowdale has changed. Photographs from just before St. George on Yonge was established show us how the area was still farmland. Subsequent years brought residential development, and eventually turned Willowdale into the busy hub that it is today.

We will revisit some landmarks that long-time residents of Willowdale will remember, but will also be of interest to more recent newcomers, as it puts forward the sense of community that Willowdale is so well-known for.

Richard Fiennes-Clinton is a local historian who has operated his own tours and talks for several years, as well as working with some of the city's museums.

We have advertised this event in a few places including some Facebook pages for Willowdale and have interest from former parishioners who will be joining us. **In order to make sure we have room for everyone on Zoom who would like to attend, we are asking that you email Lorraine Baillie to let her know you will be joining in;** [lbaille@rogers.com](mailto:lbaille@rogers.com)

It is taking place on Zoom on **Friday, February 11<sup>th</sup> – 7:00 p.m.**

Use the Zoom link at the beginning of this update.

## VIRTUAL COFFEE HOUR – Sunday, February 13<sup>th</sup> at 1:00 p.m.

Coffee is optional

Come and join us for our virtual Coffee hour on Sunday, February 13<sup>th</sup> at 1:00 p.m.

With the state of the pandemic, at this time, social events probably won't be allowed for quite some time. In order to connect and share stories, tales of what we are up to, etc. we would like to continue our virtual social events and hope to have more people join us. All are welcome.

Members of the Parish's anti-bias/anti-racism/inclusivity mission launch group will be hosting; leading a conversation about the mission, and asking for people's responses and ideas where the parish should go from here with the mission statement. Join us for the hour; join us for a few minutes. Use the Zoom link at the beginning of this update.

## CHILDREN AND YOUTH MINISTRY

Please note that there will not be any children's programs in February. Program sessions for both groups will resume on March 6<sup>th</sup> – 12:30 for the 6-11 and 1:00 for the 3-5 year olds.

## ONGOING REMINDERS

### TERRITORIAL ACKNOWLEDGEMENT

This is the Land Acknowledgement that has been adopted by St. George on Yonge:

The land on which we gather is the traditional territory of the Huron-Wendat, Haudenosaunee (ho-den-oh-show-nee) and Anishinabek (ah-nish-nah-bek) Nations, and the Mississaugas of the Credit First Nation. This territory was the subject of the Dish With One Spoon Wampum Belt Covenant, an agreement between the Iroquois Confederacy and the Ojibwe and allied nations to peaceably share and care for the resources around the Great Lakes. This territory is also covered by the Toronto Purchase. Today, Toronto is home to many Indigenous people from across Turtle Island.

We recognize the enduring presence of Indigenous peoples connected to and on this land. We are grateful for the opportunity to gather on this territory and work in this community, and we commit ourselves to the work of reconciliation with Indigenous peoples.

## STEWARDSHIP

The 'official' season for giving is now over, and family, friends, and charitable organizations are rejoicing in the gifts they received. And we rejoice in the greatest gift of all, the baby born on Christmas Day more than 2,000 years ago. Jesus' impact on the world, and the Christian church that grew to proclaim the Gospel, have been a major force for good throughout the world.

Close to home, St. George on Yonge is also a force for good, and throughout the pandemic has maintained worship services (sometimes virtual, sometimes in-person, sometimes both at the same time, and virtual only at this time), and provided pastoral support and programs that people rely on. This has continued in spite of a sharp drop in income, and a growing gap between income and outgo. Essential repairs can't be done because of the lack of funds. Our Priest, Administrator, Music Director and custodian continue to deliver 120% in spite of this, but to describe the situation as stretched is an understatement.

Please think about your gift to St. George in an intentional and prayerful way. The note below on 'Donation Options' has some very useful information to help you with your decision.

## DONATION OPTIONS

- If you are not already donating using PAR, please seriously consider using this method of intentional giving, using safe, secure and automatic debit; it's very flexible, you can change or withdraw your commitment at any time. Commit to a manageable amount, and top it up with an additional offering if you experience a windfall. Regarding PAR or any other form of donation, please contact Envelope Secretary Anne Baillie at [family.baillie@sympatico.ca](mailto:family.baillie@sympatico.ca) or 416-225-2570 and she will be happy to give you more information and assist you.
- Cheques can be mailed or dropped off at the Church in person. The Office Administrator is here on Tuesdays, Thursdays and Fridays during office hours; just phone or email first to set up a time for the drop off. If you're able to drop off in person, we also accept good old-fashioned cash – even coins (but please no pennies).
- At the Sunday services the collection plate will be at the back of the church. Due to COVID protocols it won't be passed around. Please deposit your donation as you enter the Sanctuary.
- Donations can also be made online with a credit card through CanadaHelps (even though there is a 3.75% charge to the parish, all donations are gratefully received).

## VACCINE POLICY FROM THE DIOCESE

On September 17, 2021 the Diocese issued a new policy, for the protection of all individuals who enter the church buildings, including any church property outside as well, or, who come in contact with church staff carrying out activities on behalf of or representing the Anglican Church in the Diocese at this time.

This policy applies to every bishop, priest, deacon, and lay person under the jurisdiction of the Diocesan Bishop of the Diocese of Toronto engaged as an office holder, Employee, service provider, or Volunteer. For further clarification, it applies to those appointed or hired to work in the Church, and Volunteers at all levels of the Diocese before they can be allowed to start their activity or duty.

Proof of vaccination can either be shown to a warden in person at the church, or over Zoom. Please do not email us your vaccination certificate as proof, as it is not a secure form of communication.

Thank you in advance for doing your part to keep everyone safe by complying with the diocesan policy.

Aili Maki and Doug Heyes

## OLD EYE GLASSES TO DONATE?

Do you have old eye glasses lying around that no one is using and don't know what to do with them? We have your solution. If you drop them off at the church Doug Heyes has a location that takes donated glasses. After they sanitize the glasses they are donated to developing countries. You can bring them to church once we resume in-person services, or drop them off in the mail box by the Yonge street entrance. Please put a note with them that they are being donated.

Thank you for the **many pairs of eyeglasses already donated**. If the desire to support those in developing countries continues, more deliveries will be made, so **keep them coming**. **64** pairs to date have been donated!

## HOW TO BOOK A COVID-19 VACCINE

<https://covid-19.ontario.ca/book-vaccine/>

Vaccines save lives. Let's all do our part. This link is for anyone needing a first or second dose or a booster for those eligible. Thank you.

## HOW TO DOWNLOAD ONTARIO'S NEW COVID-19 VACCINE PASSPORT OR QR CODE

To access the QR code, go to Ontario's **COVID-19 vaccination record site**, enter your health card information, date of birth and postal code. When you get to the next page, select 'proof of vaccination'. Then, select 'Download your enhanced vaccine certificate'. This should be followed by another screen pop-up that will display the QR code. The code will be labelled with your full name, date of birth and the dates of your vaccinations as well as the types of vaccines you received.

You can print out the QR code document if you prefer carrying it physically, but make sure not to fold or crease the QR code portion as it may become difficult to read. You can also store the code in your smartphone as a PDF by emailing it to yourself.

If you're an iPhone user, you can save it to your Apple Health app by opening your camera and hovering over the QR code. When your phone scans the code, it'll open up the document that you can save on your app.

If you received one or more of your doses of the COVID-19 vaccine outside of Ontario, the government says you must contact your local public health unit for proper documentation. The province says that "proof of vaccination may also include a vaccination receipt from another jurisdiction that shows the holder is fully vaccinated against COVID-19."

If you aren't vaccinated or are only partially vaccinated, Ontario says you won't be able to enter businesses and organizations where proof of vaccination is required. This includes indoor dining at restaurants, gyms, theatres, sports and entertainment venues and other non-essential businesses. The same site for downloading your enhanced vaccine certificate can also be used to book your vaccine appointment.

## THANK YOU FOR HELPING TO SAVE GOD'S CREATURES GREAT AND SMALL

With the necessity of wearing masks, if you are using disposable ones, please cut the elastic/ribbons before disposing of them properly; some ribbons can simply be pulled free of the mask. Animals, birds, fish, etc. can get caught up in the

elastic. Don't forget to cut the plastic rings of can holders too. Please say no to plastic straws... there are many alternatives out there now. And please use reusable bags when possible.

If you have the opportunity to share this message, please do so. The more people we make aware of this, the better off God's creatures may be. Thank you.

## CHURCH CONTACT INFORMATION

In these COVID-19 times, anyone needing to be at the church, for any reason, must sign in and out of a log book as required by public health directives for contact tracing. People must inform Rev. Leonard, the Office Administrator or a Churchwarden, before visiting St. George.

## OFFICE HOURS

The Church Office is officially closed to the public at this time because of COVID restrictions. We will be checking emails as well as phone messages so please don't hesitate to reach out when needed.
