PWRDF AND UKRAINIAN RELIEF WORK

PWRDF is supporting Ukrainians forced to flee their homes due to the Russian invasion. The initial grant of \$20,000 issued to an ACT Alliance appeal has been increased to \$50,000. The grants will fund the work of ACT member Hungarian Interchurch Aid (HIA).

As the war began on February 24, tens of thousands of Ukrainians fled for safety elsewhere in Ukraine or to neighbouring countries. HIA has been working in Ukraine for more than 25 years in humanitarian and development projects. It had already shipped 28 tons of food to support those fleeing to Hungary, and their staff have been working with refugees at the Ukraine/Hungary border.

Yelena was one of hundreds of Ukrainians in line at a border crossing into Hungary, waiting with her three children while her husband is on the frontlines. She told ACT, "We heard that the Polish border is completely jammed, so we decided to cross the mountains and try to make it into Hungary. My sister is still on the way, I have no idea where she or my nieces are."

On February 27, HIA set up a 24-hour refugee support point on the Hungarian side of the border at Beregsurány, where the line of refugees trying to cross into Hungary is kilometres long, says an ACT communiqué.

The support point was set up in a heated pavilion almost 4 km away in Asztély, Ukraine, near the border crossing. More tents and mobile toilets will be added in the coming days. HIA is providing hot tea, sandwiches, refreshments, blankets and basic hygiene items for Ukrainians, including many elderly and children who are waiting long hours to cross the border into Hungary.

“In addition to the tangible help at the support point, HIA also helps those arriving with information in Hungarian and Ukrainian, including how those in need can get temporary accommodation in Hungary,” says ACT. There is also support from local volunteers, such as a nearby Serbian bakery who is providing fresh bread, made with flour donated from Hungary.

“We’ve been standing here at this border checkpoint for more than five hours,” says Yelena. “It is cold and my children are freezing. It is amazing to see that people are here to help, and even just talking to you gives us hope for a better future.”

A LITTLE PIECE OF ST. GEORGE ON YONGE HISTORY

Regarding the birth of St. George's Willowdale, I see from the Red Book that the earliest meeting of a group of Anglicans in Willowdale took place in late 1919. In the following year 1920 the parish was formally created and in September 1920 it took on the name of St. George's. In 1921 land was purchased and construction was started on the physical church building. From the Red Book the physical building seems to have been completed in early 1922 allowing the first service in the building to take place on April 2, 1922. A dedication of the building took place on April 23, 1922.

Concerning the church telephone number, yes it does reflect 1922 the year the first church was dedicated. Perhaps a lost fact is that the church had a second phone number ending in 1956, the year of dedication of the recently demolished building. The 1956 number was not actively known because the Bell phone service would automatically roll over a call from 1922 to 1956 if the 1922 line was busy.

The line drawing [by Bill Cawthorne] is of the 1930 basement church sanctuary as noted and yes that area for a number of years served as the nursery. Attached is a photo of the 1930 church sanctuary.

Ward Lindsey

CHILDREN AND YOUTH MINISTRY

Calling all **children**. Our next lesson for the 6-11+ year olds it will be at 12:30 p.m. on Sunday, March 13th for our 30 minute Zoom session.

The next session for our 3-5 year olds will be on **Sunday, March 20th** starting at 1:00 for about 15 minutes.

At this time I will continue to do the Zoom sessions. A second adult is required to join in each session.

Anyone interested in doing this occasionally, please let me know. You do need to have your police record check done and participated in a sexual misconduct training session sometime in the past 3 years.

Due to the amount of time that it takes to prepare these sessions, I am asking that parents let me know when their children will be participating. Please email me (fambail@hotmail.com) by the Friday evening before the session. If I don't hear from any parents by then, the session will not take place.

You can reach me at:

ONGOING REMINDERS

TERRITORIAL ACKNOWLEDGEMENT

This is the Land Acknowledgement that has been adopted by St. George on Yonge:

The land on which we gather is the traditional territory of the Huron-Wendat, Haudenosaunee (ho-den-oh-show-nee) and Anishinabek (ah-nish-nah-bek) Nations, and the Mississaugas of the Credit First Nation. This territory was the subject of the Dish With One Spoon Wampum Belt Covenant, an agreement between the Iroquois Confederacy and the Ojibwe and allied nations to peaceably share and care for the resources around the Great Lakes. This territory is also covered by the Toronto Purchase. Today, Toronto is home to many Indigenous people from across Turtle Island.

We recognize the enduring presence of Indigenous peoples connected to and on this land. We are grateful for the opportunity to gather on this territory and work in this community, and we commit ourselves to the work of reconciliation with Indigenous peoples.

\$TEWARD\$HIP

The 'official' season for giving is now over, and family, friends, and charitable organizations are rejoicing in the gifts they received. And we rejoice in the greatest gift of all, the baby born on Christmas Day more than 2,000 years ago. Jesus' impact on the world, and the Christian church that grew to proclaim the Gospel, have been a major force for good throughout the world.

Close to home, St. George on Yonge is also a force for good, and throughout the pandemic has maintained worship services (sometimes virtual, sometimes in-person, sometimes both at the same time, and virtual only at this time), and provided pastoral support and programs that people rely on. This has continued in spite of a sharp drop in income, and a growing gap between income and outgo. Essential repairs can't be done because of the lack of funds. Our Priest, Administrator, Music Director and custodian continue to deliver 120% in spite of this, but to describe the situation as stretched is an understatement.

Please think about your gift to St. George in an intentional and prayerful way. The note below on 'Donation Options' has some very useful information to help you with your decision.

DONATION OPTIONS

- If you are not already donating using PAR, please seriously consider using this method of intentional giving, using safe, secure and automatic debit; it's very flexible, you can change or withdraw your commitment at any time. Commit to a manageable amount, and top it up with an additional offering if you experience a windfall. Regarding PAR or any other form of donation, please contact Envelope Secretary Anne Baillie at family.baillie@sympatico.ca or 416-225-2570 and she will be happy to give you more information and assist you.

- Cheques can be mailed or dropped off at the Church in person. The Office Administrator is here on Tuesdays, Thursdays and Fridays during office hours; just phone or email first to set up a time for the drop off. If you're able to drop off in person, we also accept good old-fashioned cash – even coins (but please no pennies).
- At the Sunday services the collection plate will be at the back of the church. Due to COVID protocols it won't be passed around. Please deposit your donation as you enter the Sanctuary.
- Donations can also be made online with a credit card through CanadaHelps (even though there is a 3.75% charge to the parish, all donations are gratefully received).

VACCINE POLICY FROM THE DIOCESE

On September 17, 2021 the Diocese issued a new policy, for the protection of all individuals who enter the church buildings, including any church property outside as well, or, who come in contact with church staff carrying out activities on behalf of or representing the Anglican Church in the Diocese at this time.

This policy applies to every bishop, priest, deacon, and lay person under the jurisdiction of the Diocesan Bishop of the Diocese of Toronto engaged as an office holder, Employee, service provider, or Volunteer. For further clarification, it applies to those appointed or hired to work in the Church, and Volunteers at all levels of the Diocese before they can be allowed to start their activity or duty.

Proof of vaccination can either be shown to a warden in person at the church, or over Zoom. Please do not email us your vaccination certificate as proof, as it is not a secure form of communication.

Thank you in advance for doing your part to keep everyone safe by complying with the diocesan policy.

OLD EYE GLASSES TO DONATE?

Do you have old eye glasses lying around that no one is using and don't know what to do with them? We have your solution. If you drop them off at the church Doug Heyes has a location that takes donated glasses. After they sanitize the glasses they are donated to developing countries. You can bring them to church once we resume in-person services, or drop them off in the mail box by the Yonge street entrance. Please put a note with them that they are being donated.

Thank you for the **many pairs of eyeglasses already donated**. If the desire to support those in developing countries continues, more deliveries will be made, so **keep them coming**. **64** pairs to date have been donated!

HOW TO BOOK A COVID-19 VACCINE

<https://covid-19.ontario.ca/book-vaccine/>

Vaccines save lives. Let's all do our part. This link is for anyone needing a first or second dose or a booster for those eligible. Thank you.

HOW TO DOWNLOAD ONTARIO'S NEW COVID-19 VACCINE PASSPORT OR QR CODE

To access the QR code, go to Ontario's **COVID-19 vaccination record site**, enter your health card information, date of birth and postal code. When you get to the next page, select 'proof of vaccination'. Then, select 'Download your enhanced vaccine certificate'. This should be followed by another screen pop-up that will display the QR code. The code will be labelled with your full name, date of birth and the dates of your vaccinations as well as the types of vaccines you received.

You can print out the QR code document if you prefer carrying it physically, but make sure not to fold or crease the QR code portion as it may become difficult to read. You can also store the code in your smartphone as a PDF by emailing it to yourself.

If you're an iPhone user, you can save it to your Apple Health app by opening your camera and hovering over the QR code. When your phone scans the code, it'll open up the document that you can save on your app.

If you received one or more of your doses of the COVID-19 vaccine outside of Ontario, the government says you must contact your local public health unit for proper documentation. The province says that "proof of vaccination may also include a vaccination receipt from another jurisdiction that shows the holder is fully vaccinated against COVID-19."

If you aren't vaccinated or are only partially vaccinated, Ontario says you won't be able to enter businesses and organizations where proof of vaccination is required. This includes indoor dining at restaurants, gyms, theatres, sports and entertainment venues and other non-essential businesses. The same site for downloading your enhanced vaccine certificate can also be used to book your vaccine appointment.

THANK YOU FOR HELPING TO SAVE GOD'S CREATURES GREAT AND SMALL

With the necessity of wearing masks, if you are using disposable ones, please cut the elastic/ribbons before disposing of them properly; some ribbons can simply be pulled free of the mask. Animals, birds, fish, etc. can get caught up in the elastic. Don't forget to cut the plastic rings of can holders too. Please say no to plastic straws... there are many alternatives out there now. And please use reusable bags when possible.

If you have the opportunity to share this message, please do so. The more people we make aware of this, the better off God's creatures may be. Thank you!
