CELEBRATION OF NEW MINISTRY, FOR THE REV. PAM PRIDEAUX – THIS SUNDAY

A reminder that you're invited to join Rev. Pam Prideaux and the people of St. Joseph of Nazareth Bramalea this Sunday, July 17, at 4 p.m., for a Service of New Ministry. Bishop Riscylla Shaw will preside, and Father Greg Carpenter (St. Jude's Wexford) will be the preacher. A dinner reception will follow.

All in attendance are requested to wear masks as well (available at the door if anyone forgets). This is both a continuing practice in our parish at this time, and a request of the Bishop's office, especially as she prepares to attend Lambeth.

I know it is summer vacation time for many, and that rest, relaxation and recreation are important, especially after the last couple of years. So don't worry if you aren't able to be here in person - but perhaps send a prayer up that day for the people of the parish (and me!) as we commit ourselves to continuing to journey together in ministry.

To assist in our planning, if you're planning to attend, RSVPs are appreciated but not required, and can be sent to stjosephofnazareth@gmail.com. If you'd like to join us online instead, here is the link that will take you to the live-stream automatically when it becomes available on Sunday. <http://stjosephofnazareth.org>

Blessings!

In Peace,

The Rev. Pam Prideaux

Incumbent, St. Joseph of Nazareth Anglican Church, Bramalea

CHILDREN AND YOUTH MINISTRY

There are no children's program for the summer but activity bulletins are available each week for use during the service, please ask the Ushers for these. If you are not attending in person, these can be emailed to you every Friday – please let the office administrator know. Colouring pages, markers, and toys for the younger children are also available from the storage bin in the library. Just ask at the welcome table.

In order for us to have our Children's Ministry on Sunday mornings during the church service **we need volunteers** to take on this challenging, important ministry. We are looking for volunteers who can commit to most Sundays as well as take on the planning and preparation for the classes (using Sermon4Kids curriculum as well as other resources). We can also use people who could fill in occasionally when the regular teachers aren't available or help out with some preparations, **if we have regular teachers**. Anyone interested needs to complete a police record check and take the online Sexual Misconduct Policy training before they can begin volunteering. At this time being fully vaccinated is also a requirement for any volunteers at the church. We would like to have everything in place to begin our in-person classes by the Sunday after Labour Day if possible.

Anyone able to help with this, please speak to Rev. Leonard after the service or email him (priest-stgeorgeonyonge@toronto.anglican.ca).

CELEBRATIONS

Happy Birthday John P and Joseph T!
Blessings on your special days!

Any more birthdays coming up in July? August? Are there any other special celebrations coming up?
Just let the office know so we can wish you blessings on your special day.

LIVE FLOWERS FOR SERVICES

Any special events that you would like to have fresh flowers at the service to help celebrate? We have fresh flowers at services when we get a donation for them. We also need flowers for special services such as Easter. We put a notice in our service bulletin that the flowers today are given to the Glory of God and in loving memory of, in honour of *name(s)* celebrating a special event, *name(s)* celebrating a special birthday, anniversary... etc. from *their family* or *name of person/people donating*. If you are coming to the services in person, you will be able to take the flowers you donated home with you if you like.

DONATIONS OF FOOD

Please remember that the grocery cart in the Narthex is there for donations of non-perishable food.

The donations will help support the St George on Yonge Gift Card recipients, as well as the NeighbourLink food bank that helps the needy in Willowdale and the wider North York area. Contributions can be brought to the church anytime and placed in the cart in the narthex to be blessed on the last Sunday each month. Distribution is done once per month.

SMILE OF THE WEEK!

"Okay, okay, you guys have had your chance—the horses want another shot at it."

In these times, things that make us smile are very important.
Do you have something that could make someone else smile?
Please submit anything you have to the office for consideration.

ONGOING REMINDERS

TERRITORIAL ACKNOWLEDGEMENT

This is the Land Acknowledgement that has been adopted by St. George on Yonge:

The land on which we gather is the traditional territory of the Huron-Wendat, Haudenosaunee (ho-den-oh-show-nee) and Anishinabek (ah-nish-nah-bek) Nations, and the Mississaugas of the Credit First Nation. This territory was the subject of the Dish With One Spoon Wampum Belt Covenant, an agreement between the Iroquois Confederacy and the Ojibwe and allied nations to peaceably share and care for the resources around the Great Lakes. This territory is also covered by the Toronto Purchase. Today, Toronto is home to many Indigenous people from across Turtle Island.

We recognize the enduring presence of Indigenous peoples connected to and on this land. We are grateful for the opportunity to gather on this territory and work in this community, and we commit ourselves to the work of reconciliation with Indigenous peoples.

REVISED COVID INSTRUCTIONS

On Sunday, June 5 – the Diocese of Toronto moved to "Green Stage," of reopening, which is the complete removal of all COVID-19-related restrictions imposed during the pandemic. (The sole exception to this is our vaccination policy for clergy, staff and volunteers, which remains in force.)

The Common Cup is an important symbol in our Anglican tradition. It has been emphasized that receiving the consecrated bread alone is complete in itself, so those who aren't comfortable drinking from the Common Cup don't need to. The cup is now being offered to people who wish to return to drinking from the Common Cup.

For the time being, the parish leadership has decided to continue contact tracing, and ask that we continue wearing masks for the safety of others. (Please note that anyone entering the Office Administrator's area when she is at work will need to be wearing a mask – if you don't have one, one will be provided).

Please follow the Priest's and Ushers' instructions for the service; and be respectful of everyone's comfort level with physical distancing and contact.

\$TEWARD\$HIP

Please think about your gift to St. George in a very intentional and prayerful way. The note below on 'Donation Options' has useful information to help you with your decision.

DONATION OPTIONS

- PAR (Pre-authorized Remittance) is the ideal way to support the parish financially. If you are not already 'on PAR', please seriously consider this method of intentional giving, using safe, secure and automatic debit; it's very flexible and you can change or withdraw your commitment at any time. Commit to a manageable amount, and if you can offer more, place additional donations on the offertory plate on Sunday mornings. Regarding PAR or any form of donation, Envelope Secretary Anne Baillie will be happy to give you more information and assist you. She can be reached at family.baillie@sympatico.ca or 416-225-2570.
- Cheques can be mailed or dropped off at the Church in person. The Office Administrator is at the church on Tuesdays, Thursdays and Fridays during office hours to accept your cheques or even good old-fashioned cash! Please phone or email to set up a time to drop of your donation.
- At Sunday services, the offering plate remains on a table at the Sanctuary entrance rather than being passed around, due to COVID protocols. Please place your donation as you enter for worship.
- Donations can also be made online with a credit card through CanadaHelps (there is a service charge to the parish, but all donations are gratefully received).

UKRAINIAN RELIEF WORK

There are many ways to support Ukraine and Ukrainians suffering from an unjust war in their homeland. As we've written in the past, one way is through the Primate's World Relief and Development Fund of the Anglican Church of Canada, at pwrdf.org/give-today

Another avenue is the United Nations Refugee Agency at <https://give.unhcr.ca/>

Many Canadians are donating through the Red Cross at <https://donate.redcross.ca/page/100227/donate/1?locale=en-CA>

This website seems to have other reliable avenues for donating to Ukrainian relief: <https://www.forbes.com/advisor/personal-finance/donate-relief-to-ukraine/>

Please consider helping as you are able.

GUIDELINES TO PREVENT ANAPHYLACTIC REACTIONS

No Peanuts / No tree nuts

St. George on Yonge is a **nut-sensitive** and **seafood-sensitive** facility.

There are children in the daycare who have **Anaphylactic Allergies** to:

- Peanuts
- Tree Nuts

There are members of the congregation who have **Anaphylactic Allergies** to:

- Peanuts and tree nuts
- Fish and Seafood

Contact with food containing the above ingredients can be **Life Threatening**.

Food products containing peanuts or tree nuts are prohibited throughout the building at all times.

For parish and outside events: If fish or seafood are planned to be served, the Hospitality Coordinator or Parish Administrator need to be informed ahead of time. These foods need to be kept separate from all other food and should be labelled. The parish will endeavour to limit the amount of seafood/fish brought for events.

Your co-operation is extremely important in this matter.

HOW TO BOOK A COVID-19 VACCINE

<https://covid-19.ontario.ca/book-vaccine/>

Vaccines save lives. Let's all do our part. Thank you.

THANK YOU FOR HELPING TO SAVE GOD'S CREATURES GREAT AND SMALL

If wearing a mask and using disposable ones, please cut the elastic/ribbons before disposing of them properly; some ribbons can simply be pulled free of the mask. Animals, birds, fish, etc. can get caught up in the elastic. Don't forget to cut the plastic rings of can holders too. Please say no to plastic straws... there are many alternatives out there now. And please use reusable bags when possible.

If you have the opportunity to share this message, please do so. The more people we make aware of this, the better off God's creatures may be. Thank you!
