

Stewardship

Habit of giving: Growing our gifts

A church pledge is a statement of commitment to financially support our mission and ministries through regular, intended giving.

It is a promise or intention *not* a legal contract.

Please help us budget for the coming year by completing both sides of this pledge card.

Hebrews 13:16

Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God.

Name(s): _____

Address: _____

City: _____
